# ROUND ROBIN SEARCHING

Let's go all the way around the room today:

- What was it like to write tests?
- Questions?

# SINGLY LINKED LISTS

# DOUBLY LINKED LISTS

# DOUBLY LINKED LISTS

## IMPLEMENTATION

Implement a doubly linked list using tests:

### DoublyLinkedList

first\_item()

last\_item()

size

get(n)

add\_item(payload)

remove\_item(payload)

to\_s

### LinkedListItem

next\_item()

previous\_item()

first?

last?

payload
